

Enter Laughing®

**IMPROVISATIONAL PLAY**

Improvise Performance Classes for kids ages 9-18! Does your child possess a wonderful sense of humor? Enter Laughing is happy to help your communicator polish these skills that will lead to performance experience. The learner experiences two authentic perspectives, that of the audience member who contributes ideas and that of the player who receives them and uses them to create a shared reality with a playing partner. Skills for performance! Each class ends with an Improv show with an audience. Let the laughter begin!

This award-winning performance class offers a safe-space for development of talents already possessed by the players.
